Kristie:

I contacted Ms. Mosqueda and told her that you Weston Solutions could not speak to the media under our contract and that her inquiries should be made to the EPA Media Office or myself.

Thanks

Gary,

This is just an FYI that Ms. Mosqueda with the Texas Observer is continuing to reach out to us. We have not given her any information.

Thanks,

Kristie

Kristie,

Tried calling Jeff and he said he is not familiar with that case and to try you again. Also tried emailing the other two contacts listed on the report and have not heard back. I am on deadline, so really need to talk to someone at Weston and get some direction. Thanks.
